Mission Statement

The First Presbyterian Church Childcare Center (FPCCC), Incorporated, is a ministry established by the First Presbyterian Church of Warren, Arkansas and is dedicated to providing quality child care in a loving and nurturing environment for children from six weeks to twelve years of age. To that end, the Session of First Presbyterian Church and the Administrative Board of FPCCC adopted the following mission statement:

Because Jesus welcomed children and encouraged us to welcome them in his name; because Jesus lifted up a child as an example of what the realm of God is like; because all children are a gift of God, created by God and created good; because all children are a gift to the whole human community; because all children have a real faith and gifts for ministry; because all children have the right to be children; because all children are not just tomorrow, they are today; and because we take seriously our baptismal vow to nurture all children committed to our care. We, the FPCCC, endeavor to provide a safe learning environment for children of all races, genders, creeds, and abilities and commit ourselves to the proclamation of the Gospel by demonstrating the love of God for all people and by fostering an environment where children can respond to God's love by caring for others, offering praise and discovering and using their gifts.
